We're all, Leo Karnachow (Accordion and/Tuba) Rita Williams (Keyboard, Vocals) and Fritz the Drummer are dedicated in bringing you best traditional music, good fun, and Gemütlichkeit to any festivity.

- The band plays in the styles of Ernst Mosch, Slavko Avsnik, Egerland, Slovenian, Bohemia, Bavaria, and from Tirol.
- An authentic sound of the best known German and Austrian Blasmusik bands.
- These are the bands that play regularly at various German Oktoberfests -- and the EuroBand plays the same loved tunes: rolling beer-drinking songs, traditional melodies, our own original compositions and lively polkas and waltzes.
- Oh yes we play Australian versions too which may surprise you of Leo's predominant tuba sound..!

What you have to do:

Pretend you're back in 1810, in a Bierstube or small pub, in a village surrounded by the Tyrolean Alps. Listen to your favorite beer hall tunes, dance to the Alpine folksongs, relax, clap your hands and sing along, but most of all, enjoy!

With authentic German and Austrian tunes, the band will entertain for a festival to remember. They will provide the true Oktoberfest spirit. You'll clap your hands and stomp you feet to the popular dance numbers. We would love to hear from you and provide entertainment with a magnetic appeal ...Give us a ring !
